

TERMS AND CONDITIONS OF PURCHASE

1. **ACCEPTANCE:** These terms and conditions and the purchase order referencing them (collectively, "purchase order" or "order") are the exclusive agreement between Creare and Seller for the purchase of supplies or services ordered herein, unless superseded in writing by an authorized signatory of Creare. Any of the following shall constitute Seller's unqualified acceptance of this purchase order: (a) acknowledgment of this order; (b) furnishing of any part of the supplies/services under this order; (c) acceptance of any payment for the supplies/services; or (d) commencement of performance under this order. This order expressly limits acceptance to the terms stated herein; additional terms proposed by Seller are rejected unless explicitly agreed to in writing.
2. **PRICE, SPECIFICATIONS, SHIPPING, AND INVOICING:** The prices quoted are for completed work. No extras or changes from Creare's specifications will be allowed except as they may be specifically referred to in this order or as they may be covered by subsequent agreements in writing. All invoices are to be exactly in accordance with this order as to discounts, quantity, price, etc. Creare shall not be liable for any packing, crating, or shipping charges unless this order specifically so provides. Unless Seller and Creare have agreed otherwise, for services Seller performs on articles shipped by Creare, Seller shall make the articles available for return shipment to Creare within 3 days of completing the services. Seller agrees and represents that prices charged for supplies or services provided hereunder are not in excess of those charged other customers of Seller for orders of similar quantities of substantially similar supplies or services on comparable terms.
3. **RISK OF LOSS:** Risk of loss or damage shall remain with Seller until the supplies reach Creare's place of business.
4. **DELAY:** Creare reserves the right to cancel all or any part of this order in case of delay. If shipment is delayed in transit beyond the discount period, Creare does not waive its right to a cash discount.
5. **WARRANTY:** (a) Seller warrants that all supplies and services delivered hereunder shall be free from defects in materials and workmanship and shall be in conformance with the quantity and description set forth herein. Seller further warrants that all supplies and services delivered hereunder shall be of merchantable quality and shall be fit and suitable for the purposes expressed herein. Such warranty shall survive delivery, inspection, acceptance, or payment by Creare. (b) If any supplies or services delivered hereunder do not meet the warranties specified herein, Creare may, at its option, (i) require Seller to correct at no cost to Creare any defective or nonconforming supplies or services by repair or replacement; or (ii) return such defective or nonconforming supplies or services to Seller at Seller's expense and recover from Seller the order price; or (iii) correct the defective or nonconforming supplies or services itself and charge Seller with the cost of such correction. The foregoing remedies are in addition to all other remedies at law or in equity. All warranties shall run to Creare and its customers.
6. **INSPECTION:** All supplies and services purchased hereunder shall be subject to inspection and testing by Creare. Creare may reject, require replacement or correction, or accept with an adjustment in price any supplies or services which do not conform to the requirements of this order.
7. **CHANGES:** Creare may at any time, by a written change order, make changes in any one or more of the following: drawings, designs, specifications, or quantity. If any such change causes an increase or decrease in the cost of or time required for performance of this order, whether or not changed by the order, an equitable adjustment shall be made in the price or delivery schedule, or both, and this order shall be modified accordingly. No claim by Seller for adjustment hereunder shall be allowed unless received by Creare within thirty (30) days from the date of Seller's receipt of notice of any such change.
8. **TERMINATION:** (a) Creare may terminate this order for convenience or default in whole or in part at any time by written notice to Seller. The rights and obligations of Creare and Seller shall be governed by Federal Acquisition Regulation (FAR) Part 49.5 as in effect on the date of this order. (b) Time is of the essence. Creare may terminate this order for default if Seller: (i) fails to make delivery of the supplies or services within the time specified hereunder; or (ii) fails to replace or correct nonconforming supplies or services in accordance with the Warranty and Inspection clauses hereunder; or (iii) becomes insolvent or suspends any of its operations or if any petition is filed or proceeding commenced by or against Seller under any state or federal law relating to bankruptcy, arrangement, reorganization, receivership, or assignment for the benefit of creditors. Creare shall also have such other rights and remedies available at law or in equity upon Seller's default. (c) Seller agrees that upon notice of termination it shall stop all work on the balance of this order; place no further orders hereunder; terminate work under orders outstanding; assign to Creare all of Seller's interests under terminated subcontracts and orders; upon Creare's approval, settle all claims; and transfer title and make delivery to Creare all articles, materials, work in process, tools, dies, jigs, fixtures, or other things held or acquired by Seller under the terminated portion of this order.

Seller will maintain and carry liability insurance which includes but is not limited to workmen's compensation, general liability including completed operations, property damage liability, product liability, and contractual liability. Seller will, if requested by Creare, furnish certificates of insurance from its carrier on the foregoing coverages. 13. **WAIVER:** The failure of Creare to enforce at any time any provision of this order or the failure of Creare to require performance by Seller under the provisions hereof shall in no way be construed to be a waiver of such provisions or any other provision hereunder.
